MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Contract No. AF33(657)-7344 (DH-1929), Amendment No. 1, with [REDACTED] (OSI and Navy)

25X1A

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 6.

2. Contract No. DH-1929 is a T&M type and covers the services of a Senior Engineer and material necessary for the support of System 8X. By mutual agreement by the parties under the contract it was agreed that the services of the Senior Engineer are no longer required. Therefore, this Amendment No. 1 has been drawn to change the expiration date of the contract from 30 September 1962 to 31 March 1962. Upon submission of Contractor's final invoice and release and completion of site audit, the contract will be closed out.

3. Funding under the contract has not been changed by this Amendment.

4. The services and equipment being procured by this Contract No. DH-1929 are in furtherance of the [REDACTED] Program the nature of which cannot be publicly disclosed for security reasons. The undersigned Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC-2122, signed by the DDCI on 15 October 1961. 25X1A

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
